an IronOaks Adoption Event

Looking for a new furry friend? We will be bringing animals in need of a new forever home to the **Lakeview Lawn** adjacent to Stone & Barrel for you to meet! Kittens, adult cats, puppies, and small dogs (up to 20lbs) eager to meet you from Saving Orphan Souls Rescue **AND** Rover's Rest Stop will be available for adoption. Give them the forever home they deserve!

And if you cannot adopt at this time, consider bringing donations for this great organization. They are always in need of dog food, treats and toys, new or gently used dog beds, blankets and towels, cleaning supplies, and monetary donations.

Remember to adopt, never shop!
