BRIGADOON

At the Hale Centre Theatre

A major Broadway musical hit with one of the most romantic scores ever written, Brigadoon revolves around a mythical Scottish town that appears once every hundred years and an American tourist named Tommy, who happens upon it by chance and becomes mesmerized by its charms and a sweet "lassie" named Fiona. The score includes classics such as "Almost Like Being in Love," "The Heather on the Hill," and "Come to Me, Bend to Me." You definitely don't want to miss the summer magic of Brigadoon. And, as townspeople of this mythical village might say, "Come ye from the hills! Come ye from the mills!" and join us for a most unforgettable evening.
