IRONOAKS AT SUN LAKES

YESTERDAY

The Sun Lakes active adult community began in 1972 with 2,560 acres of farmland, spearheaded by real estate developer Ed Robson. The partnership initially sold lots and mobile homes in order to compete with Sun City in the west valley. Robson survived the energy crisis of the 1970s and bought out his partners. In 1976, Mr. Robson began offering single family homesites in Sun Lakes.

TODAY

Now sold out, Sun Lakes is comprised of approximately 10,000 established homes, a softball field, five golf courses, the first-of-its-kind Jason Morton Tennis Center, eight newly designed pickleball courts, five country clubs, two shopping centers, and medical and education centers.

IronOaks, an age-restricted 55+ gated community, features 730 homes in Ironwood and 3,289 in Oakwood. Villas, single, and two-story homes range in size from 1,300 to 4,000 square feet with interior, lakeside, golf course, or walking path views.

The Villas are a sub-section of IronOaks and are all single-level, duplex-style residences. Villa homeowners have their own separate HOA dues which covers the exterior of homes, including roof repair, driveways, and exterior paint, as well as landscaping. A separate Board of Directors governs the 327 homes.

"To create, protect, and promote an active adult lifestyle with resort style amenities and to enhance the community's value."

- IronOaks Core Purpose

PLAY LIKE A CHAMPION ON FORTY-FIVE HOLES OF GOLF

OAKWOOD

Known for its three distinct Keith Foster designs—one parkland, one traditional links, and one navigating links, the three nine-hole Oakwood courses are a favorite for those who love this classic game. *Sonoran-Lakes* plays 4,966 - 6,577 yards, with nine holes circling around water features. *Lakes-Palms* is a challenging yet enjoyable course that plays 5,343 - 6,508 yards on a water-intensive path, ending near our premiere Oakwood Golf Shop. *Palms-Sonoran* plays through lush parkland and water features before finishing on a more

traditional links-style course. It plays 5,138 yards at the forward tees to 6,567 yards at the tournament tees.

IRONWOOD

The newly-renovated Ironwood course plays from just under 4,000 yards at the forward tees to just over 5,100 at the championship tees. The course winds through lush grounds with two water features, and the two par-5s, seven par-3s, and nine par-4s make for a fast, yet rewarding, round of golf for players of all skill levels.

"Don't play too much golf. Two rounds a day are plenty."

-Harry Vardon

An IronOaks Taphouse

DELICIOUS DILEMMAS

IronOaks is home to two restaurants: **Stone & Barrel Taphouse** in Oakwood, and **Grill on the Green** in Ironwood. Both feature tasty menu options, a full bar, great atmosphere, and a friendly, professional staff who are dedicated to serving you in style.

Stone & Barrel ►

Offering breakfast, lunch, and dinner in a resort-casual atmosphere. Diners can enjoy a blend of traditional favorites, American classics, healthy dishes, and wood-fired pizzas. Weekly live music, beers and wines on tap, a daily happy hour, freshly prepared soups, and entertaining events welcome friends and family.

Ironwood Grill on the Green

The hangout of the community where you can enjoy wings, hot dogs, salads, sandwiches, and more while overlooking the golf course. It's a popular gathering place for weekly events like karaoke, trivia and Texas Hold 'Em, and special televised sporting events as well.

REPRESENTING YOU HOMEOWNER'S BOARD OF DIRECTORS

IronOaks functions like most other planned residential communities and is governed by a Homeowners Association (HOA). Policies and CC&Rs are set by a seven-member Board of Directors elected by the homeowners. The Board receives recommendations from committees and advisory groups, as well as our professional staff. The General Manager and Directors oversee and manage daily operations including: the operation and maintenance of the clubhouses, facilities, restaurants, roads, common areas, 24/7 Patrol, and gated entrances.
